

Miami Education for Peace Fund Grant Application

Please complete all questions

Starting in 2017 there is a new source of funds that can be used by WILPF branches for Peace Education. The funding comes from the Miami Education for Peace Fund which resides at the Jane Addams Peace Association.

The grants are available for strictly educational programs that incorporate WILPF Priorities as well as other programs and projects on education for peace. Grants are also available to International WILPF and the US Section; Grants are made available to all areas as fairly as possible, but preference is given to small branches in greater need for financial assistance.

These grants are from \$50 up to \$500 and are made on the same schedule as the US Section Mini-Grants. **For 2017**, there will be 3 funding cycles, with application deadlines of **February 15, June 1 and October 1**. Notice of awards will be sent within 6 weeks.

The activity must be initiated and sponsored by WILPF. This does not include programs by coalitions of which WILPF is a part. It may include programs set up by WILPF and endorsed by other groups. This money is to be used for items of basic necessity such as travel expenses for speakers, publicity, film rental, literature, rental of auditoriums, etc. Grants may not be used for Honoraria or hotel costs.

Applications must be typed and submitted as attachments to emails. Submit to: programsupport@wilpfus.org

A final report must be submitted within 45 days of completion of the project.

Please use the application form on the next page. Application forms may be downloaded from <http://wilpfus.org/resources/minigrant-program>.
