---

**Your proposal narrative (parts 2 and 3 combined) should not exceed 2 pages**

## **PART 2**

**Profile of your individual, branch or issue committee work.** Include some background of previous work on this issue (or other work accomplished, if this is a new issue), members involved, population served, geographic reach, legislation effected and any other information that will give the committee the sense of the importance of this issue.

## **PART 3**

**Profile of your request:** Please describe your project, using the following points as a guide:

- Indicate the specific amount of funding requested and how it will be spent
- Describe relevance of the project to other WILPF issues, and indicate how your project relates to International program and priorities.
- Describe the community need that exists and why this project is important to your constituents/ community.
- Describe what you plan to accomplish and how you will measure your progress
- Are you working in coalition with other groups? If so, who?
- Indicate how you will publicize this project in the community
- Describe how outcomes will be shared with US WILPF.
- If additional funding is needed, indicate plans for securing that funding
- When this project is completed, what is your follow-up strategy to further your larger goals?

## **PART 4**

Please include your project budget with line item expenses and sources of income
