

drones quilt project

A project to remember the victims of US combat drones

Thank you for your interest in hosting the Drones Quilt Project exhibit. The exhibit consists of quilts which are 66" square and weigh 2.5 lbs each, four 20" x 30" posters, and a 2-sided handout. The quilts and posters will be shipped to you at the previous exhibitor's expense, and you will be asked to ship it to the next host at your expense. The file for the handout will be sent electronically for you to make copies. Please fill out the following application and return it to the project coordinator, Leah Bolger, leahbolger@comcast.net.

1. Name, e-mail address, and phone number of applicant:
2. Name, e-mail address and phone number of person responsible for the exhibit while in the host city (if different):
3. Name and website (if applicable) of sponsoring organization:
4. Desired number of quilts (1 to 5):
5. Proposed dates for exhibit:
6. *Do you plan to have an opening for the exhibit with a speaker, or will the exhibit be in conjunction with some other educational event? Please describe.
7. **Proposed venue:
8. If the proposed venue is outdoors, do you have an alternate location in the event of foul weather?
9. How will you advertise the exhibit?
10. ***Will your organization be able to cover the costs of hosting the exhibit (venue rental, publicity, shipping?)
11. ****Will your organization be able to provide a donation to the Drones Quilt Project?
12. Do you need to borrow quilt stands?

*This is highly encouraged, but not required

**We prefer venues that will draw in people who may not already know about drones. For instance, we would prefer a library to a peace house.

***We understand that some smaller organizations may not have the funding to cover all of the costs involved in sponsoring the exhibit. We encourage the use of donation cans, or passing the hat at the opening event, but reimbursement of the costs may be possible in some cases. Please do not let lack of funds stop you from applying to host the exhibit.

****There are a number of expenses involved with the Drones Quilt Project and we rely entirely on donations to make it a success.
