CALL NORMS: Norms are the ground rules for how a team collaborates.

Clear meeting norms help align the participants’ expectations and guide the actions of team members so we can have a more productive discussion.

- Be prepared and come ready to engage
- Read the agenda and do any preparatory work ahead of time.
- Balance your participation—speak and listen— and make sure everyone’s voice is heard.
- Look ahead to positive action, not back on shoulda, woulda, coulda.

CALL TEAM MEMBERS: Marybeth Gardam, Anne Henny, Sandy Thacker, Michael Ippolito, Shilpa Pandey.

SOLIDARITY PLANNING FOR OCTOBER **TREATY** EVENT

It was decided that there would be flexibility for people to o schedule their TREATY SOLIDARITY ACTION any weekend in October, except the last one, which is Halloween and would have a lot of scheduling conflicts.

Possible Dates

The weekend of October 5-6

The weekend of October 11-12

The weekend of October 19-20

POSSIBLE THEMES

for **TREATY EVENT** in OCTOBER – SOLIDARITY EVENT

These suggestions are just to get your creative juices flowing.
We will decide together via email voting before the end of June.

How about one of these?

TREATIES GIVE PEACE A VOICE!

or

TREATIES ARE SUPERHEROES
of International Policy.

or

TREATIES SAVE LIVES & PRESERVE PEACE

Or

Are there any OTHER cool ideas for a THEME that lifts up the importance and value of Treaties, that gives them the respect they deserve and that counters the ‘wimpy’ dismissal of international collaboration that the Trump Administration has been spewing?

We hope that those of you who plan to have Hiroshima and Nagasaki events will share your photos, videos, and greetings to the atomic bomb survivors (aka "Hibakusha") on our new Facebook group, WILPF SMART - <https://www.facebook.com/groups/wilpfsmart> - which Michael Ippolito and I set up for this purpose, but also to continue as a blog for any and all WILPF members to use and respond to each other. People who aren't WILPF members will be able to read our messages, but they won't be able to post unless they join WILPF. (Pretty good recruiting tool, huh?)

In case you aren't familiar with Facebook or have trouble getting signed up with WILPF SMART, Michael has been having Monday training calls for anyone who calls in to Maestro. You can sign up for the Monday calls at <https://myaccount.maestroconference.com/conference/register/L0618J75CA24MIPS>.

Michael also can post videos, photos, and messages for you - as can Marybeth Gardam and Jan Corderman I believe - if you simply can't. And of course, you have my emails, I'll be delighted to hear from you.
