

Future WILPF Process

BRIEFING

Roadmap to Future WILPF

HOW I CAN PARTICIPATE

Join these tracks to shape WILPF for the future and get us ready for our International Congress 2022.

Co-create the next International Programme

Overseen by the International Board

Join national, regional and global discussions about our contexts, our visions, our actions, and our values.

Organise and attend Congress 2022

Coordinated by the International Board and the Congress Steering Committee

Prepare reports, submit proposals, and take decisions. Organise and attend exhibition, learning and social events.

Nominate WILPFers to serve as representatives

Overseen by the International Board + Coordinated by the Nomination Committee and the Election Committee

Nominate, stand for office and/or elect committee convenors and international board members.

Build and strengthen the way WILPF works together

Coordinated by the Organisational Development Coordination Group

Share your insights and ideas about how we can work together as One WILPF to stay true to our values and have impact.

Future WILPF

UNDER CONSTRUCTION

Future WILPF

International Programme

The main **topics** to be discussed in order to develop the International Programme are:

1. Who is WILPF (our legacy, movement, mission and values)
2. Our contexts
3. What we are working towards (ToC, thematic priorities)
4. How we will achieve this (work methods)
5. How we will resource our work
6. How we will strengthen our organisation and the way we work together
