### **Promoting Human Rights for Palestinian Children Living Under Israeli Military Occupation Act H.R.2407** (Introduced in House 11/14/2017) 6/16/19 Darien

This bill prohibits U.S. assistance to Israel from being used to support the military detention, interrogation, or ill-treatment of Palestinian children in violation of international humanitarian law

**The Global Appeal for Peace, alias A Global Appeal to Save International Law** (<http://globalappeal4peace.net/>). Per Nancy Price & Darien DeLu We, the undersigned, demand of our governments in their interactions with all nations - for the sake of world peace, international security and the peaceful co-existence of all peoples - to respect the principles of the United Nations Charter, and to follow and defend international law. We urge them to immediately join this initiative and help redirect the world toward an era of global stability and cooperation.

**UNITED IN OUTRAGE: THE RESISTANCE MARCH**, 9/23/19, was organized by Rise and Resist/Robert Croonquist. Darien DeLu The purpose was to stand up to Trump non-violently, when he goes to New York to address the UN General Assembly on September 24, to raise the visibility of the many injustices of his administration, its accomplices and its supporters!

**Hands Off Iran! Global Campaign**, This is an invitation to all supporters of peace and people's national right to sovereignty and territorial integrity to join us in this effort.

**Support of UN Resolution Against Unilateral Coercive Measures Petition** In recognition that unilateral coercive measures [such as sanctions] are being used to wage economic war, and as tools for regime change efforts by the United States and its junior partners in violation of the United Nations Charter, a group of 77 plus China have signed this resolution.

## **WILPF Americas Region statement on Bolivia**

**TEN ESSENTIAL CLIMATE ACTIONS THE NEXT PRESIDENT CAN TAKE WITHOUT CONGRESS** 12/1/19 Ellen Thomas (for Disarm)/Nancy Price (for Earth Democracy)

1. Declare a national climate emergency under the National Emergencies Act:
2. Keep fossil fuels in the ground:
3. Stop fossil fuel exports and infrastructure approvals.
4. Shift financial flows from fossil fuels to climate solutions.
5. Use the Clean Air Act to set a science-based national pollution cap for greenhouse pollutants.
6. Power the electricity sector with 100% clean and renewable energy by 2030 and promote energy democracy.
7. Launch a just transition to protect our communities, workers, and economy.
8. Make polluters pay: Investigate and prosecute fossil fuel polluters for the damages they have caused.

9. Commit to veto all legislation that grants legal immunity for polluters, undermines existing environmental laws, or advances false solutions.

10. Rejoin the Paris Agreement and lead with science-based commitments that ensure that the United States, as the world's largest cumulative historical emitter, contributes its fair share and advances climate justice.
