Meet-the-National-Leaders at WILPF's Congress

Join us at an early Congress session: Board, Steering, and the Program Committee members - and others! - are planning to do 30-second self-intros & revelations of their inspirations, passions, and goals for what they're working on in WILPF (in 2 minutes!). Then we'll take a couple of questions. This meet-the-national-leaders will help you start off the Congress, letting members know who is who throughout the next week to ten days.

Grandma WILPF needs you!

Help Yourself Master Zoom and Make WILPF's Congress a Success!

Become a Zoom master! We need to fill about 75-100 volunteer hours of Zoom support for our virtual August Congress. We're offering multiple options for you to schedule the special training session so you are prepared!

And you can view recorded trainings, if you want additional background. See details in the article in June eNews - the tenth out of nearly a dozen articles, right above Help Vaccinate Cuba, so Cuba Can Continue to Help Others.
